Dear Wassim & Linda:

Cappuccino Express has provided cappuccino carts for ARAMARK at the George R. Brown Convention Center, Jones Hall, and the Wortham Center little over a year and half. During this partnership, you have proved to be a reliable partner and we value your partnership and look forward to a continued relationship.

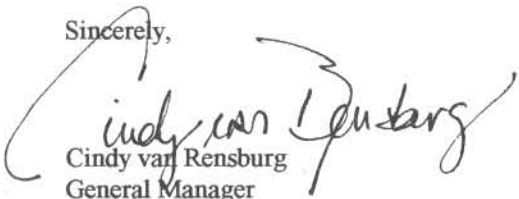

In continuing our relationship, I am enclosing an updated Indemnity Agreement continuing our partnership through July 1, 2000. At the end of the contract, we will once again evaluate our business relationship and either proceed on a month to month or sign an additional year extention.

I am also enclosing a sample of the approved Certificate of Insurance. In reviewing your current Certificate of Insurance there are several areas, which need to be revised including listing both ARAMARK and the City of Houston Convention & Entertainment Facilities as additional insured.

Please review the enclosed agreement and return the executed agreement to me as soon as possible. In addition, to continue your operation at the George R. Brown Convention Center please have your Certificate of Insurance updated and returned to me within the next 10 working days.

In closing, on behalf of everyone with ARAMRAK, I look forward to our continued working relationship.

Sincerely,

Cindy van Rensburg
General Manager
